REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Springdale Elementary School completed a very successful school year by providing a quality education to 475 students in child development to fifth grade. Our school motto, "Where Children and Learning Come First" has become a reality. We made this possible through providing a family-friendly environment, implementation of data-driven instruction through our school RESULTS focus, and continuous improvement of instruction to increase the proficiency of all students through our various Professional Learning Communities.

Our RESULTS plan, based on the work of Mike Schmoker, had 6 dimensions: Teamwork & School Climate, Data Analysis, SMART goals, Staff Development, Community Outreach, and Celebrating Success. Our faculty and staff were very successful with the implementation of all areas. The use of Measures of Academic Progress (MAP), Developmental Reading Assessment (DRA), and PASS data have been instrumental in addressing the specific needs of our students and charting the growth of our students. We continued to implement targeted instruction and our Read 120 SMART room. These two programs allow for differentiated instruction in the areas of reading and writing.

We are very proud to be considered a Palmetto Gold and Silver Showcase school. The Springdale community was very proud to accept this recognition. Also, our school received two Palmetto Gold awards this school year. This is the 5th year that our school received the Palmetto Gold/Silver recognition.

Springdale Baptist Church continued their support of our school this year. The church supplied our school with school supplies for our students, as well as an afternoon program.

The town of Springdale continued their commitment to our school. They have continued to provide our school with a Student Assistance Officer. This support has allowed us to have a successful Safety Patrol. Our SAO instills positive leadership qualities in these students. Also, our SAO sponsors a Kids on Patrol (KOP) of the Month luncheon, as well as, serves as an ambassador for the town at our school.

Our celebrations would not be complete without special recognition for the support and dedication from our faculty, staff, students, parents, and community. Our PTO and SIC continued to be an integral part of our school by supporting the implementation of our Dolphin Splash Awards Ceremonies. Also, through collaboration between our PTO, SIC, and PE teacher we began a health and fitness focus. We were able to teach and promote healthy lifestyles. Also, we celebrated our 10th year of Celebration of the Arts. This program allows us to study various cultures across the globe and explore various forms of art. Thank you for your support as we continue to strive toward excellence here at Springdale.
